

## The Car You Need, Right Now

The days of piecing together the right range picker for your course are over. When you add the convenient Club Car Range Picker Package to the Carryall 300 or Carryall 500, you get exactly what you need, in one car, to get the job done. Now, you can spend more time caring for your course and less time trying to “build” a machine to do it.

THE 14 HP COMMAND PRO® EFI ENGINE FROM KOHLER & CLUB CAR MAKES YOUR JOB EASIER IN MANY WAYS.

- Automotive-Grade, Closed-Loop EFI continuously adjusts engine performance for excellent fuel economy and more reliable starting.
- Onboard Diagnostics, Accessible on your Laptop or Smart Device quickly identify engine issues to keep your vehicle running and decrease maintenance time.
- Reduced Oil Changes maximize uptime and your bottom line, thanks to an industry-leading oil change interval recommendation (every 200 hours\*).

EFI OVERHEAD CAM ENGINE

At the heart of Carryall hums our new power plant, sporting a 14 horsepower rated engine. The overhead cam engine with electronic fuel injection (EFI) delivers a 30% power boost and still reduces fuel consumption by up to 50%.

SAVE ON MORE THAN JUST FUEL COSTS.

- Build quality, including case-hardened steel timing chain, lowers maintenance costs
- Runs cooler, quieter, with lower emissions
- Weathers all conditions; starts fast even on the coldest mornings
- Automatically adjusts for higher altitudes
- No carburetor or choke to master or maintain
- No oil filter to change; splash lubrication reduces maintenance
- Backed by the industry's best warranty

The Carryall 300 Turf is the only utility vehicle equipped with E.R.I.C., Club's Car's advanced charging system. Efficient. Reliable. Intelligent. Connected. E.R.I.C. does it all. With cutting-edge features built into a smaller, lighter and infinitely smarter design, E.R.I.C. will have an immediate impact on your operation.
