CARS BUILT FOR THE GOLFER AND THE COURSE

Built with proven engineering, industry-leading durability, and reliable comfort, Tempo showcases the best that Club Car has to offer, for the golfer and the course.

Designed with automotive styling and features that feel like upgrades, the brand-new Tempo represent the very best of Club Car: proven engineering, industry-leading durability, and reliable comfort. Plus, available connected technology that monitors fleet performance gives you the freedom to manage your operations from the course, not an office.

CLUB CAR TEMPO, THE CHOICE OF CHAMPIONS.

PICTURE

CLUB CAR SUPPORTING THE RYDER CUP, WITH TEAM EUROPE ON COURSE TO SECURING THE 2019 TITLE

FEATURES

RIDE COMFORT

Independent leaf spring front suspension with dual hydraulic shocks provides a class leading ride

COMFORT

Premium comfortable ergonomic seats (optional)

STYLING

Distinctive modern automotive styling built with high quality materials and a premium finish

ALLOY WHEELS

Sleek alloy wheels enhances the automotive styling (optional)

ALUMINUM FRAME

The light weight aluminum frame has a lighter foot print and kinder to the greens. Constructed from aircraft-quality aluminum the chassis is robust and rust-proof

E.R.I.C

EFFICIENT: With energy costs high and getting higher, reducing consumption is the surest way to control costs.

RELIABLE: E.R.I.C. is constructed to handle whatever your staff and nature can dish out.

INTELLIGENT: Charger status lights, on-car dash light and audible alerts communicate the car is charging, the state of the charge cycle, battery state of charge and charger faults.

CONNECTED: Enjoy two-way communication via USB port, upload system updates and allow authorized Club Car technicians to download charger data.

ACCESSORIES

VISAGE FLEET MANAGEMENT

CONTROL COSTS. SIMPLIFY OPERATIONS

Maximise course efficiencies and fleet performance with the Visage Fleet Management system. Offered exclusively by Club Car and installed at over 1,000 courses worldwide, Visage is a tested technology system designed to strengthen your bottom line. Use it to increase revenue, efficiently manage resources, and accent a golfer's experience.

GROW

Increase your revenue stream by offering food and beverage ordering direct from the fairway.

COMMUNICATE

Free up staff by sending weather alerts, tournament details, and clubhouse specials directly to cars.

IMPROVE

Track cars in real-time and send alerts to maintain pace of play, then use car data to design course strengthen your bottom line. Use it to increase revenue, efficiently manage resources, and accent a golfer's experience.

OPTIMISE

Automatically run reports after every round to proactively see which cars need service.

PRESERVE

Keep the course pristine by automatically slowing cars that come too close to pre-set restricted zones.

SUPPORT

Count on industry-leading customer service professionals to help you optimize course operations and troubleshoot your system.

VEHICLE ENCLOSURE

CARRYALL 502

Carryall 502 was specifically designed to help green keepers where they need it most, with features like the high-visibility dash that offers 360-degree views.

The lower deck and spacious interior mean heavy tools like spreaders can be lifted easily in and out.

RANGE PICKER

The Club Car Range Picker Package based on the Carryall 300 and 500 has the functionality of a utility plus the benefits of a ball collector.

Available features:

- Automated limited slip differential
- Extra traction tires for wet, slippery or rough terrain
- Range cab
- Push frame
- Front picker adapter
- Brush-guard with headlight guards

CAFÉ EXPRESS

With display space that's been carefully designed and engineered to drive impulse buys, the Café Express mobile merchandising vehicle will help you recognize more revenue and higher profits.

Flexible shelving shows off snacks while insulated compartments keep more drinks cold. (It holds up to 256 cans!)

The redesigned Café Express has 120% greater consumable ice capacity (which means fewer trips back to the clubhouse).

THE GOLD STANDARD

AWARD WINNING GOLF BUGGY

Club car have been awarded Golf Digest's Editors choice award for four consecutive years, In 2018 and 2019, the Club Car Tempo was the buggy which received the top honours.

AWARD WINNING DEALERSHIP

Bradshaw have been exclusively supplying Club Car vehicles since 1992, earning the reputation for providing the highest quality service and support.

Club Car have recognised Bradshaw's outstanding sales, service, and support by awarding the company the Black & Gold Dealer accolade. The prestigious title held by 50 of the company's 600 authorised dealers and distributors acknowledges Bradshaw's outstanding sales, service, and support. In order to be named a Black & Gold Dealer, dealerships must have and maintain a high level of customer service and standards.
